Introduction

The RC Bus was designed to multiply RC Multi 10 pin connector in order to connect many other devices or sensors to it. All connectors have the same pin-out as connector on the RC Multi module.

Specifications

Board Dimensions	12 mm x 12 mm x 15 mm 0.47" x 0.47" x 0.59"
Cable length	4 cm 1.60"
Weight	3 grams

Physical overview

Figure 1 shows the RC Bus module with 1:1 cable. User must connect one side of the 1:1 cable to the RC Multi 2 module and other side to any of four 10 pin connectors of the RC Bus module. All four connectors have the same pin-out.

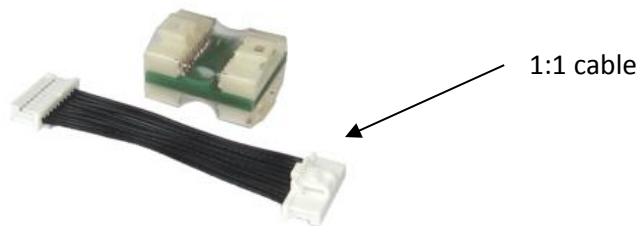

Figure 1: The RC Bus module.
